“EAGLES NEST”

The Official Eagle Haven Wine Club

The Eagle Haven Winery is proud to announce the launching of its “Eagles Nest” Wine Club and its inaugural members will be treated to some outstanding benefits. Outside of enjoying future special events at reduced rates, the wine club will create a means to enhance your wine collection and offer first choice selections of some of Eagle Havens upcoming limited release wines. Our Eagles Nest Wine Club will offer these advantages:

Wine Orders

Club members will receive Eagle Haven wines every month or quarter, depending on your chosen membership and will include new releases of Siegerrebe, Madeline Angevine, Syrah, Pinot Noir, Sangiovese, Blackberry, Winter Pear, Red Apple, and our limited edition Peach Wine. These deliveries will be charged to your Visa or Master Card account at the time of shipment and can be delivered to your home or office. The charge includes a 20% wine discount, shipping and handling and applicable sales tax, and will typically be between \$30-\$50 per shipment; depending on the wine shipped (out of state shipment charges may vary). Your package will include an order form for additional wine purchases always inclusive of the 20% discount. As an incentive to sign up for our inaugural Eagles Nest Case Club, any future orders of a case of wine or more will include a substantial 30% member discount! All members wishing to sign up for our Eagles Nest Case Club will receive 30% off of all case wine for a full year with a minimum of 2 cases purchased per year. Cases will range from \$100-\$200 depending on wine selected (excludes shipping costs).

Access to Limited Releases

Several special bottling of Madeline Angevine and Siegerrebe Blends, a newly featured Rose’ and a limited Peach Wine as well as other surprises will be offered exclusively to Eagles Nest Club Members. Samplings of these offerings will be provided on a member’s only basis in the tasting room and will be supplemented with future offerings exclusive to our members. Pre-release privileges are also extended to Eagles Nest Club members, providing an opportunity to reserve highly prized, limited production wines in advance of their release to the general public. These limited edition wines will also be offered as individually signed bottles by our Winemaker, Chuck Jackson and will be uniquely personalized for Eagle Nest Wine Club members only.

Members Benefits

Members will have special access to winery special events and vineyard tours, as well as educational custom crush and bottle your own events. Eagle Haven Club members will also receive a member card entitling them to 20% off on all wine purchases for the life of their membership. Again, any Eagle Nest Case Club member who purchases a minimum of 2 cases a year will receive 30% off case prices and 20% off any wine product & merchandise that is offered at the winery.

Special Events

A number of “Eagle Nest Club Members Only” events are held throughout the year in honor of our Club participants. These are fun and enjoyable events to celebrate with and educate members on the progress of our wines and vineyards. Aside from our anticipated Summer Music Series, hosted tours and barrel tastings combined with wine and food pairings will be led by industry experts as well as Eagle Haven winery owner, Jim Perkins and Winemaker, Chuck Jackson. Our Eagle Nest Quarterly Newsletter will keep you apprised of our upcoming offerings.
