### The Eagle Haven Wine Club

The Eagle Haven Winery is proud to offer the “Eagle’s Nest Wine Club.” Outside of enjoying discounts on wine and reduced fees at future events, the Wine Club will create a means to enhance your wine collection and offer first-choice selections of some of Eagle Haven’s limited release wines.

#### Quarterly Wine Club Orders

Club members will receive **three bottles** of Eagle Haven wine **every quarter** (every three months) at a **20% discount**. **This 20% discount also applies to all of your wine purchases at our Tasting Room.** Guests wishing to sign up at the winery will receive 30% off their purchase the day of membership. You may choose to pick up your wines at the Winery or we can ship it to your home or office via FedEx. To pick up at the winery the price per quarter is \$30-\$50; this figure includes tax. FedEx delivery is \$50-\$70; this figure includes tax and shipping cost. You may choose your preference of white, red, or fruit wine. There is no annual fee and no fee to join—we only ask you to commit to one year’s worth of wine as of sign-up date. After one year you may choose to continue or cancel your membership. An email notification will be sent to you approximately one week prior to the time the wine is ready to pick up at the winery or to be shipped. The wine is ready to pick up approximately **the first weekend of each quarter. The quarters are as follows: The first weekend of April, July, October, Mid December (early wine order for the holidays).**

#### Via FedEx

If you choose to ship the wine to your home or office, an adult age 21 or over needs to sign when FedEx delivers your package. These deliveries will be charged to your Visa, Master Card, or Discover Card account at the time of shipment. The charge includes shipping and handling and applicable sales tax, and will typically be \$50-\$70 per shipment, depending on the wine shipped (out of state shipment charges may vary).

## **Payment**

We will automatically charge your credit card (Visa, Master Card, Discover) every quarter, a week before the wine is available for pick-up or is shipped. You will receive an email receipt of the total cost. A valid credit card will need to be on file in order for you to be considered a club member and to receive all benefits.

## **Member Benefits**

Members will have special access to winery events and vineyard tours. Members will receive a discount on admission fees during our events such as the Summer Music Series each year. A number of “Eagle’s Nest Club Members Only” events are held throughout the year in honor of our Club participants. These are fun and enjoyable events to celebrate with and educate members on the progress of our wines and vineyards.

## **E-Newsletters**

Our Eagle’s Nest Monthly e-Newsletter will keep you apprised of our upcoming events, wine specials, and new wine releases.

## **Access to Limited Releases**

Pre-release privileges are also extended to Eagle’s Nest Club members, providing an opportunity to reserve highly prized, limited production wines in advance of their release to the general public.
